Superintendent

Dear Parents and Guardians,

August 20th, 2019

The Bethlehem-Center School District is committed to providing our students with the best educational programming possible in a safe and secure environment while maintaining appropriate financial stability. In order to accomplish these goals, we are looking to implement a voluntary transportation opt-out program for students that do not wish to use our bus system. This will help the district create efficient routes and maximize bus seating. We are asking that **all** families return this form to your child's homeroom teacher, marked with your selected transportation needs for this school year.

The opt-out program will only apply to families that do not plan on utilizing bus service or that have alternate arrangements made for their child. In order to determine optimal bus routes, pickup times, and stops for the 2019 – 2020 school year, the district is asking for your response to the questions below. Answering the questions below DO NOT create a binding contract. If at any time you need to opt back in to bus service even for a temporary time period or a single day, please contact the transportation clerk, Ms. Kellie Setaro at (724)267-4938 so that we can set up your transportation needs.

_____ I wish to opt-out of bus transportation completely for the 2019 – 2020 School Year

_____ I wish to continue utilizing district transportation for the 2019 – 2020 School Year (check the box that applies below)

_____ I will need both morning and afternoon transportation

_____ I will need morning transportation only

_____ I will need afternoon transportation only

Please return this form to school with your child.
